# Call

*Dear People of Good Shepherd,*

On May 31, 2020, we returned to in-person worship. With modifications to the liturgy and the way that we interact with each other within the church building, we were able to navigate our way through the COVID-19 pandemic without any super-spreader events. You demonstrated your flexibility and your commitment to worship and ministry here in these last 12 months.

Now it is time to move towards fully reopening. This will continue to require flexibility and patience in the coming months. The main point to keep in mind is that what we are really doing is moving from COVID-19 safety protocols to basic/everyday/normal expectations of personal hygiene and respect. (If you touch a surface that you feel is unclean, then clean your hands. If you need to cough or sneeze, use a disposable tissue or the crook of your elbow while politely turning away from those around you. If you are feeling unwell, stay home and worship with us online. If someone sits too close you, politely move to another spot.)

Here are some items to note as we transition back to pre-pandemic life:

- Starting May 29<sup>th</sup>, we will worship in the St. Mary Chapel for all services except the 8:30 a.m. Sunday service, which remains in the Nave. This will allow for some worship opportunities in an air conditioned space while also maintaining our live stream with the newly-installed A/V system.
- Bulletins will be handed out by ushers.
- Masks will be worn while speaking; moving around the worship space; and singing, until Dauphin County reaches a vaccinated rate of 70%.
- A cantor will lead singing, and we will continue to minimize congregation singing.
- Offering plates will be available near the entrances to receive offerings prior to the start of the worship service. The ushers will bring the offering forward along with the elements for Holy Communion at the appropriate time.
- Seating will be on a first-come basis.
- When passing the peace, you may speak a word of peace, smile, nod, touch your heart, bow, use the peace sign, use American Sign Language, etc. We will respect each other's comfort level and embrace that everyone will feel differently about how to approach this moment of the liturgy.
- For Holy Communion, the pastor will be masked and will sanitize prior to distribution. You will come forward and remove your mask to receive the elements (if you prefer, you may place your hands on your opposite shoulders to indicate that you would like to only receive a blessing) and then replace your mask to move back to your seat.
- Following the last hymn, worshippers are invited to greet the pastor at the door with a hello, a handshake, or a hug.

*(continued on page 2)*

## From Pastor Baker (continued)

As is noted in the weekly bulletin, I have resumed visitation, which may be scheduled by calling the church office.

Outside groups continue to use the building, but some changes have occurred during this past year. Meals on Wheels and Cub Scouts operate on a regular schedule. Added since the pandemic is a ministry called DeafCAN! which meets once a week to provide social services to the Nepalese Deaf community in this area. The Keystone Concert Band has not resumed in-person practices, but is hopeful to do so. Regretfully, due to COVID-19, the Paxtang-Swatara Community Library closed, as did the Cradles to Crayons Daycare. The library had already experienced diminished use and a declining volunteer pool prior to the pandemic. The daycare was unable to hire enough staff to keep be open on a consistent basis.

Regarding our virtual presence, we will continue to provide an online presence via Facebook Live and by providing a video recording that is uploaded to our website. Our new equipment provides a high-quality product and is user friendly. We are actively looking for people to operate the equipment for the 8:30 a.m. service on Sundays...if you can operate an iPad, you can do this...it's that easy!

God bless the flexible, for they will never  
be bent out of shape!

*Peace, and many blessings,  
Kathleen J. Baker, pastor*

## Worship at Good Shepherd

*We are thankful that we can gather to  
celebrate The Word and Sacrament.  
Our church recognizes that the well-being of  
all worshippers is of primary importance.  
Please keep in mind the following  
recommendations as we worship together:*

**Masks should be worn**, especially when speaking and singing. Please ask an usher for a mask if you need one.

**Offering should be placed in plates upon entering the Nave.** One plate is located near the baptismal font, and the other plate may be found in the front of the Nave by the baptismal window.

**When Passing the Peace**, worshippers may speak a word of peace, smile, nod, touch your heart, bow, use the peace sign, use American Sign Language, etc. We will respect each other's comfort level.

**For Communion**, Pastor will be masked and will sanitize prior to distribution. You may lower your mask, receive the host, and intinct in the cup. If you are uncomfortable receiving the wine, please know that you have received full communion with one element.

## **Sophie Scholl.** **Do you know her name?**

She was born in 1921 Germany. This is her 100th birthday anniversary. As children, she and her brother enjoyed being part of Hitler's youth programs. Her father was not a supporter of Hitler. They were a Lutheran family.

By the time she and her brother were young adults, they too opposed Hitler. They attended Munich University. She was studying biology and wanted to be a kindergarten teacher. Her brother was interested in becoming a medical doctor. While at the university, they formed a group known as "The White Rose". They believed as Sophie stated "The current 'state' is the dictatorship of evil...But, I ask you. If you know that, why don't you act? Why do you tolerate these rulers gradually robbing you in public and in private, of one right after another, until one day nothing, absolutely nothing, remains, but the machinery of the state, under the command of criminals and drunkards."

They wrote pamphlets and distributed them on campus and sent them all over Germany. She believed, "Somebody, after all, had to make a start. What we wrote and said is also believed by many others. They just don't dare express themselves as we did." For whatever reason, one day Sophia went to the top floor of a university building and tossed the leaflets down to others on the ground. A caretaker identified her to the Gestapo. She and her

# **Bold Lutheran**

brother were arrested. Even though they never gave up the names, the others were found, tried and all were sentenced to death for crimes of high treason.

At 21, Sophie went to the guillotine. She said, "Such a fine sunny day, and I have to go...what does my death matter. If through us thousands of people are awakened and stirred to action?"

According to the New York Times, the text of the 6th leaflet was smuggled to the United Kingdom, reprinted and dropped over Germany by Allied planes. Yes, schools, roads and awards are named for her, her brother and others of "The White Rose". Remember her name—Sophie Magdalena Scholl. Student, resistance fighter and a BOLD woman.

## **Leymah Gbowee.** **Do you know her name?**

"God is calling us today to reclaim our space." Leymah Gbowee, a Lutheran peacemaker and modern-day reformer from Liberia told the almost two thousand women at the 2011 Women of the ELCA Triennial Gathering. I was one of the almost two thousand in the audience. In fact, I was present when she spoke at another Triennial. She's an inspiring, motivational speaker and leader.

Her country was in a civil war. It was a terrifying time of violence and murder. She was in college at 17 when her family and others found sanctuary at St. Peter's Lutheran Church in Monrovia, Liberia.

# Women Called to Discipleship

A soldier warned their family to leave the church. Fortunately, they took his advice because those that remained were killed.

She became a volunteer for 5 years with the Lutheran Church in Liberia?Lutheran World Federation's Trauma Healing and Reconciliation Program. Then with thousands of other Muslim and Christian women, they embarked on a mission to end the war, stop corruption and establish peace. Their prayers and dedicated work made a difference. Her story is a testimony to the difference a group of committed people can make in the world. Because of her leadership in this successful peace movement, she received the Nobel Peace Prize. She told us that "Faith without action is dead." (James 2:26).

They also fought for women's rights—an end to rape and domestic violence. They helped elect Liberia's first woman President, Ellen Johnson Sirleaf. They helped mentor women in other countries with similar issues. What inspired me is in the video about her life and work that's available in our synod Resource Center, she demonstrates forgiveness. Because of her faith, and as the mother of six children, she encouraged this group of women to promote "healing and wholeness" for the young boy soldiers that got caught up in the violence of war. Awe-inspiring!

In Elizabeth Hunter's story about her in the book, *Together by Grace*, she includes some fun facts. (Also available in our synod's Resource Center):

"Gbowee is the second Lutheran woman to win the Nobel Peace Prize. In 1982, Alva Myrdal, a member of the church in Sweden, was the first Lutheran woman to win the prize. Other Lutheran Nobel Peace Prize winners are Albert Schweitzer (1952) Dag Hammarskjöld (1961) and Norman Borlaug(1970)."

Remember her name—Leymah Gbowee. Peacemaker, woman's rights advocate, and a BOLD woman.

## World Deaf Refugee Day

### “Sign” Up NOW Deaf Refugee Immigrant Conference June 11 and 12, 2021

We are so excited, even if still COVID-skeptical, about the fast approaching World Deaf Refugee Day Conference June 11-12 in Lancaster. All of us on the national planning committee have been monitoring the COVID situation and the guidelines from the CDC and PA. But, all ‘signs’ are pointing in the direction of an in-person conference, no doubt the first for many of us, and there will also be a **virtual option**.

#### ***This is absolutely a once in a lifetime opportunity.***

We are still expecting Deaf refugees and immigrants from at least **20 different countries** who will be leading many of the workshops, panels, and nightly entertainment! This is our time to listen with our eyes, hearts, and minds and be the humble, welcoming country and community we CAN! be. Keynote presenters on June 11 will be from the **World Federation of the Deaf, the National Association of the Deaf, and our own DeafCAN! staff – Bhawani Dangal**. A representative from the United Nations High Commission on Refugees has also committed to come.

We are also busily working to raise scholarship funds to help Deaf refugees/immigrants with costs for transportation, registration, food, lodging, and interpretation so donations and sponsorships are encouraged!

Please go to the great website, [WDRD.org](http://WDRD.org), to register, view the wonderfully signed information, or make a donation through the Himalayan Foundation – USA or through DeafCAN! with a memo designating it to “WDRD.”

Besides ‘regular Deaf community attendees,’ we are very hopeful that many agencies and hearing families will attend as well. This is a time to see and interact with a **unique global population** that many have overlooked, oppressed, dismissed. Well, they won’t be overlooked at this conference. Join us and celebrate the uniqueness and value of every person at WDRD!!

## Night Without A Bed Sleepout June 26, 2021

1 in 16 children in the U.S. experience homelessness by the time they reach first grade. They and their families may be found sleeping in motel rooms, staying with friends, or even living in their cars.

Kids who face homelessness suffer in other ways as well. They are more likely to drop out of school, repeat a grade, suffer from depression, and attempt suicide.

You can show your support for children and families experiencing homelessness and raise awareness of this crisis by joining **Family Promise's Night Without a Bed Sleepout on June 26, 2021**. You are invited to participate in an immersive experience of what a night is like for a homeless family by giving up your comfortable bed to raise awareness and support for homeless families.

You are challenged to be as creative as possible! Here are a few suggestions of ways to participate:

- Spend a night not in your own bed.
- Post photos of your Night Without a Bed on social media.
- Tag **Family Promise of the Harrisburg Capital Region** on social media.
- Use the hashtag: **#NightwithoutaBed2021HCR**.
- Invite sponsors to support your efforts to help families experiencing homelessness. Donations may be made at:

## WORKSHOP NEWS

Come when you can and leave when you must! Everyone is welcome. You do not need to know how to sew. We have many other tasks that you can do!

## Thank you for supporting CCU's COVID-19 Response Fund...

Over the past year, we have been touched by the number of people asking how they can support their neighbors whose workplace was shut down, had reduced hours, or were facing homelessness. We recently surpassed \$100,000 contributed to our COVID-19 Response Fund!

Your support has helped us to:

- Assist hundreds of households to pay their rent or utilities and maintain their housing
- Help others who are homeless to find and obtain long-term housing
- Provide hotel stays to people experiencing homelessness when shelters were on lockdown or an individual needed to quarantine due to COVID-19

This has been a hard year for all of us. Thank you for reaching out amidst your own challenges to love your neighbor in need.

Recent studies have illuminated the trauma experienced by individuals who go through homelessness, especially children. Think of all the men, women, and children sleeping in their own beds tonight because of your support of our COVID-19 response efforts. **We are so grateful for your support!**

## MISSION SUPPORT: A DEEP DIVE

Did you know that ELCA members in more than 8,900 congregations in the United States and Caribbean give approximately \$1.7 billion in regular offerings annually to support ELCA ministries in their local communities and worldwide? This unrestricted giving from congregations is called Mission Support. Mission Support gives the ELCA both the foundation and the fuel to do God's work in the world locally, nationally and internationally. Thank you for your faithful support!
